**Subject:** Microsoft settlement!

To whom it may concern,

If all concerned took more time to work on new ideas instead of trying to break Microsoft it would be great! Microsoft is an essential part of many people's lives and has helped many young people get a good start in life.

Companies should spend less time trying to get Bill Gates! Let the man do what he does best and quit wasting our money trying to break the Microsoft Company....

Thank you,  
Zemne
